Welcome Back To School!

Welcome back everyone! There has been so much going on in these first two weeks, it feels like we must have been back at school much longer! We have had a cake sale, and community meeting and our Year 5 and 6 children performed Samba at the Woolwich Carnival. Nightingale has also been named the overall winner of The Social Impact Schools Award. Alongside this we have also been awarded the following: London region School of the Year 2025, School of the Year 2025, Primary School of the Year 2025 State/Academy School of The Year Awards 2025 These awards recognise Nightingale's commitment to social action and the positive difference our staff and pupils are making in the community. It's an achievement to be proud of and a reflection of the work staff, families and pupils all put in.
