Community Ambassador

We are pleased to welcome Julie Hutcheon to our team as our 'community ambassador' she will be working to build strong and trusting relationships with the community, to ensure families feel supported and through the connections they make are able to create their own peer networks too. Already she has supported pupil parliament with their mission to create Winter packs to help the homeless.

Pupil parliament also hosted a table sale this week which raised over £200. A huge well done to all involved and a massive thank you to everyone for supporting them!
