

NIGHTINGALE

Newsletter no5

So much to share!

Our Wellbeing Walks were a fantastic success, parents enjoyed the opportunity to meet up and exercise then engage in workshops which explored healthy living. Thank you to Leigh from My Change for providing this for us.

On 11th November children from Pupil Parliament made and laid a wreath at the Common, on behalf of Nightingale. All classes learnt about the diverse people, animals and communities who made sacrifices during WWII.

A huge thank you to everyone that was able to attend our Drop Everything and Read event - it was great to share our love of books!

All the children had a rocking good time in assembly last week when they got the chance to listen to live music and perform as real rockstars!

Wellbeing walk members at the healthy eating workshop
